

SEA WAVE

LIFE'S A WAVE. CATCH IT!

OUR STORY

Sea Wave is a sunny day at the beach with surfboards and volleyball. It's an afternoon impromptu happy hour at the park. It's a truck tailgate lined with blankets and ice-filled coolers. It's the strum of guitar strings with friends around a bonfire under the summer stars. Ditch your bottle opener, crack an ice cold can, and be transported to your favorite beach vacation. Sip and think of surf, sand, and sunshine.

Sustainably grown and packaged, easy to enjoy, low on calories, and 100% real wine—bring Sea Wave along wherever life takes you.

WINEMAKING

"We started with the right vineyards, pick at modest Brix, and then use reverse osmosis to gently find the perfect alcohol to flavor balance."

~ Alison Crowe, Winemaker

- Grapes directly pressed to separate the skins from the juice and only impart a hint of berry-pink color
- Lees stirring in stainless steel bring out richness
- Harvested, fermented, and oak aged before undergoing our gentle dealcoholization process
