

TRIBUTUS

CHARDONNAY

Napa Valley

OUR STORY

Tributus is a treasure honoring our land and praising its heritage. Ancient rounded stones, vestiges of an untamed river that carved out the Napa Valley thousands of years ago, populate the valley's vineyards. These river rocks and their surrounding alluvia soil help create the classic hallmarks of the appellation.

WINEMAKING

Alison Crowe, Winemaker

Individual vineyard blocks with the perfect balance between ripeness, sweetness, acidity and flavor and then fermented them separately. 85% complete malolactic fermentation in order to preserve a little bit of acidity and "zing", wonderful creaminess and roundness to suffuse the wine.

WINE INFORMATION: Certified sustainable, non-GMO, vegan, naturally gluten-free
